Seq. 1 Posted 06/12/06
For Patent Application No. 10/595074

Please refer to the highlighted entry on the attached copy of Synnestvedt & Lechner's June 2006 deposit account statement.

We cannot identify the application for which the charge was made. The application number is not in our records and the attorney docket number is not ours. We believe our account may have been charged by mistake.

If the PTO finds that an error was made, please credit Account No. 19-5425 in the amount of \$130.00. If the charge is correct, please give us more information – the applicant, a docket number, something that will enable us to identify the case.
